

2018 Nebraska Agri-Business Exposition

January 9-10, 2018 ♦ CenturyLink Center, Omaha, NE

Please participate in the silent auction to pull more traffic to your booth!

Expo Silent Auction

All exhibitors are asked to voluntarily provide a silent auction item and have it available for bidding in their booth throughout the show hours. (We'd like to discourage the use of gift cards, as the face value is evident). The proceeds from the donated items will go to the association's Scholarship Fund to provide scholarships to students in the agri-business field.

All silent auction items will be listed in the program. Signs will be supplied to each exhibitor with an auction item to attract visitors to their booth. Additional announcements will be made throughout the show to push traffic to exhibits with silent auction items. Silent auctions will run from show opening to 10:00 AM on Wednesday, January 10th.

Silent auction items should have a value of no less than \$100.00

Deadline: Please supply a description of your prize by December 23, 2017 for publication in the show program

My Silent Auction Item is: _____

Name: _____ Title: _____

Company: _____

Address: _____

City, State, Zip: _____

Phone: _____ Email: _____
