

Mid Winter Conference February 12th-13th 2019

February 12th

7:15am Registration, coffee and rolls

7:50am Welcome and opening comments

SW 8:00am "How is Water Quality Data Collection and Additional Hydrogeological Data Collection Impacting Updated Groundwater Management Plans" *Amanda Flynn United States Geological Society*

PM 8:50am "Residue PPO Use in Soybean Weed Management" *Lowell Sandell Valent*

9:40am Break

CM 10:00am "Managing Corn, Soybeans, Grain Sorghum for Greater Yield" *Dan Berning Western Cornbelt/Pioneer Corteva*

CM 10:50am "Taking Cover Crops to Scale" *Sarah Carlson Practical Farmers of Iowa*

CM 11:40am ""Lessons from the Field: Cover Crop Applications and Management in the Western Corn Belt" *Keith Berns Green Cover Seed*

12:30 Lunch

SW 1:20pm "Carbonomics-The Amazing Economy of the Soil" *Keith Berns Green Cover Seed*

NM 2:20pm "How to Utilize Crop Data" *Joe Luck University of Nebraska*

3:10 Break

PM 3:20pm "Biostimulant use in Agriculture" *Gary Tuxhorn Meridian Agriculture Distribution*

CM 4:10pm "Integrating Cover Crops into Rotation" *Kat Caswell University of Nebraska*

NM 5:00pm "Nitrification Inhibitors" *Mike Zwingman Verdesian*

NM 5:50pm "The Study of Humic Acids and the South Dakota Nitrogen Study" *Keith Mach Helena*

February 13th

7:15am Registration-Breakfast Buffet

NM 8:00am *To Be Determined Andy Scholting Nutrient Advisors*

PM 8:50am "Palmer Amaranth Biology and Management" *Jenny Rees University of Nebraska*

9:40am Break

PM 10:00am "Improving Resistance Management Plans for Critical Insect Pests of Corn in Nebraska" *Katharine Swoboda Bhattari University of Nebraska*

SW 10:50am "Irrigation Management and It's Impact on Input Use Efficiency and Farm Profitability" *Daran Rudnick University of Nebraska*

11:40am Lunch

CM 12:30pm "Soybean Disease Issues" *Megan Taylor University of Nebraska*

SW 1:20pm *To Be Determined Ritch Nelson United States Department of Agriculture*

2:10pm Break

CM 2:30pm "Maximizing Cattle Efficiency Research with Enogen Feed" *Dale Blasi Kansas State University*

PM 3:20pm "Timing Cover Crop Removal in Corn and Soybeans" *Bob Kavinsky Syngenta*

CM or NM 4:10pm *To Be Determined*
